

CPD

DOES YOUR CURRENT CPD INCREASE YOUR STAFFS ENGAGEMENT?

In today's fast-paced education landscape, it's easy for teachers and school staff to lose sight of why they got into the field in the first place. At NOVUS we believe in the importance of reconnecting with the 'Why' and reigniting the passion for teaching.

Our tailored staff training and development packages are designed to increase engagement and boost performance throughout your school team. Our proven and purposeful sessions focus on creative thinking, strategy, reflection, and building world-class habits, all in a fun and collaborative environment.

With extensive expert training in various subjects, NOVUS CPD can help your staff elevate their skills and capabilities, raising confidence and motivation throughout your school.

Empower your team to thrive and make a lasting impact on the lives of the students they teach. Work with NOVUS and reignite the passion for teaching.

1. Curriculum PE & Sport
2. SEND Support for teachers and SENDco's
