MUSIC

ARE YOU USING MUSIC TO ENCOURAGE SELF-EXPRESSION & EXPLORATION?

At NOVUS Music, we believe in the power of music to inspire self-expression and exploration in children. Our music program blends the latest primary curriculum standards with cutting-edge online tools and the expertise of our music leaders to create dynamic and engaging music sessions for primary school-aged children.

We work closely with your school leadership team and music lead to ensure our sessions fit seamlessly into your schedule, whether as PPA sessions, enrichment workshops, or after-school clubs.

With NOVUS Music, your children will have the opportunity to tap into their creativity, build confidence, and experience the joy of music.
